Note to Readers:

The Job Vacancy and Wage Survey (JVWS) provides comprehensive data on job vacancies and wages by industrial sector and detailed occupations for Canada, the provinces, territories and economic regions. Job vacancy and offered wage data are released quarterly. The annual wage data for 2017 were released on June 26, 2018.

Collection of the wage component was suspended in January 2018. A study is being conducted on how to provide more detailed information by regions and occupations and collection of wage information will resume based on the results of the study.
